HOMESTRETCH[X]

NUTRITIONAL

4-0-0

GUARANTEED ANALYSIS

Total Nitrogen (N)	4.00%
3.50% Urea Nitrogen	
0.50% Other water soluble Nitrogen	
Sulfur (S)	4.50%
Boron (B)	0.25%
Manganese (Mn)	3.00%
Zinc (Zn)	3.00%

Derived from urea, boric acid, manganese sulfate, zinc sulfate, and wheat protein hydrolysate.

KEEP OUT OF REACH OF CHILDREN

DANGER

PRODUCT DESCRIPTION

Homestretch®X is specifically formulated for foliar delivery of zinc, manganese and boron for all crops.

RATE RECOMMENDATIONS

FOLIAR APPLICATION:

Ground: Apply 1-2 quarts in a minimum of 10 gallons of water per acre. Repeat as needed.

Aerial: Apply 1-2 pints in a minimum of 5 gallons of water per acre. Repeat as needed.

SOIL APPLICATION: Use 1-3 quarts per acre. Not for use with starter fertilizer.

Optimum rate of application will vary depending on treatment interval, soil properties (such as pH, organic matter content, texture), weather conditions, time of year, plant species and its nutrient requirements. For best results, follow soil/tissue test recommendations.

DIRECTIONS FOR USE

Fill mix tank with half of required water volume and begin agitation. Add products in this order, mixing thoroughly after each addition: adjuvants, pesticides, then fertilizers. Fill tank with remainder of water and continue agitation until solution is completely mixed. Check chemical mixture compatibility using a jar test prior to application, especially for high phosphate and alkaline (high pH) solutions.

For full strength application, handling or storage equipment MUST consist of either PVCs, polypropylenes, most plastics, or stainless steel. Never use mild steel, nylon, brass, aluminum or copper around, to store, or to handle full strength HomestretchX. Rinse handling equipment after use if material is susceptible to corrosion.

WARNING: This fertilizer carries added Boron and is intended for use only on directed crops. Its use on other crops or under conditions other than those recommended may result in serious crop injury.

PRECAUTIONARY STATEMENTS

Causes serious eye damage. Causes severe skin burns and eye damage. May damage fertility of the unborn child. May cause damage to organs through prolonged or repeated exposure. May be corrosive to metals. Obtain special instructions before use. Do not handle until all safety precautions have been read and understood. Wear protective gloves/clothing and eye/face protection. Do not breathe mist or vapor. Wash thoroughly after handling. Avoid release to the environment. Collect spillage. Consult the SDS for further information.

FIRST AID: *IF IN EYES*: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a doctor. *IF ON SKIN:* Take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. *IF SWALLOWED*: Rinse mouth. Do NOT induce vomiting. If exposed or concerned: Get medical advice/attention.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Keep out of reach of children. Store locked up. Dispose of contents/container in accordance with local, state and federal laws and regulations.

LIMITED WARRANTY: Meristem Crop Performance Group, LLC ("MCPG") warrants that the Product conforms to the chemical description given on this label and is reasonably fit for the purpose stated when used in accordance with label directions under normal conditions of use. MCPG and Seller make no other warranties, express or implied, including warranty of merchantability or fitness for a particular purpose. Buyer and User accept all risks arising from any use of this Product. To the extent allowed by law, MCPG and the Seller shall not be liable to the Buyer or User of this Product for any consequential, special, incidental or indirect damages.
